

Dear Valued Patient:

First of all, I hope you had an enjoyable holiday and I'd like to wish you a happy and healthy New Year. I am writing to share that Apex Dental will be partnering with Elevated Dental, the office of Drs. Justin Moses and Paul Corcoran. My wife and I will be travelling to Arizona so she can receive some of the best medical care in the country. I will be out of the office until approximately April 2018.

In the meantime, Drs. Moses and Corcoran have stepped up to help during my absence. Dr. Moses will see patients at our current location on Tuesday and Wednesday starting January 9th, 2018. Our current cleaning schedule will remain the same until January 30th, at which time, Dot will see patients on Tuesday and Wednesday as opposed to Monday and Tuesday. We may need to reschedule your appointment due to these changes, and we appreciate your understanding and flexibility.

To help offset the decrease in availability at Apex Dental, Drs. Moses and Corcoran want you to know that their office is your office. If you would like to schedule treatment for a different day of the week or have an emergency, you are more than welcome to be seen at their office located on S. Frontage Rd. just west of Lionshead. For more information, you can visit their website at www.elevateddentalvail.com.

Dr. Justin Moses is originally from Philadelphia and has lived in the Vail Valley for 3 years. He attended the University of Pennsylvania for his dental degree and completed an advanced training residency at the University of Colorado. He is an avid skier, trail runner and mountain biker, and looks forward to learning about your favorite runs and trails.

Dr. Paul Corcoran has been practicing in Vail for over 35 years. He has always prided himself on excellent patient care and experience. In 2012, the Vail Valley Medical Center honored Dr. Corcoran with a special recognition being a leader in the community & for his steadfast commitment to his patients. It is the first time this honor was given to a dentist in the Medical Center's 50 year history.

Once my wife finishes her course of treatment, I will resume seeing patients at Apex Dental. This date has yet to be determined. In June 2018, our two offices will merge to a new location in the City Market shopping center in West Vail. The new office is currently well into the design phase and construction is expected to start in February. We will keep you informed of the progress of the construction and the exact completion date as we get closer.

Thank you very much for being excellent patients and friends over the years. Your continued support during this transition is much appreciated. I am very excited about this partnership and am happy to know that you will be left in great hands while I am gone. If you have any questions about these changes, please feel free to contact us.
